# Reducing restrictive practice workshop

## Registration form

March 2023

# Registration form

Please fill out this form to register for a place at 1 of our workshops about **restrictive practices**.

**Restrictive practices** are ways of stopping people from doing something. Or controlling people. For example:

- holding someone down to stop them hurting themselves or others
- giving them medicine to stop them doing something harmful
- making them stay in a room away from other people.

There are a certain number of places at each workshop. They will be given to people who register first.

We will tell you if you have a place at your chosen workshop as soon as possible.

**Name:**

**Your e-mail address:**

**Your phone number**
