Sponsorship Opportunities

Sponsorship of the NHS Wales Awards is a powerful way for your organisation to make a difference, helping us recognise and celebrate the exceptional teams across NHS Wales who are driving improvements and transforming services.

The NHS Wales Awards return in 2026 to showcase teams driving improvements in quality, safety and performance to transform services, experiences and outcomes for people in Wales.

Now heading into its eighteenth year, the awards have gone from strength to strength, attracting ever increasing numbers of high quality entries with the 2026 awards set to be our most engaging yet. For the first time, colleagues across NHS Wales can play a direct role by championing shortlisted teams and helping choose the winners.

We are delighted to invite you to be part of this prestigious event, shining a spotlight on the remarkable achievements of teams who are making a real difference.
